

9th NRW Nano Conference

Innovations in Materials and Applications

21 - 22 April 2021, Messe und Congress Centrum Halle Münsterland

OPEN CALL

FOR PRESENTATIONS & POSTERS

The 9th NRW Nano Conference is **open to contributions from the complete field of nanotechnology and innovations in materials and applications** like Health & Medicine, Electronics & Optoelectronics, Battery Technologies, Energy Efficiency, Quantum Technologies, Characterization & Simulation, Functional Surfaces & Layers, Fibres & Composites, Regulations, Safety & Societal Acceptance, NRW Innovation Projects etc.

Call for Presentations

Deadline
11th October 2020

Call for Posters

Deadline
13th December 2020
