

Digital Week Dortmund International

*Special Session
for start-ups*

DIWODO2024: A DECENTRALISED FESTIVAL (Vol. 8) FOCUSING ON DIGITALIZATION, TECHNOLOGIES, AND INNOVATIONS

As a decentralized festival on digitalization, #diwodo attracts thousands of visitors every year to Dortmund companies, institutions, networks, and scientific institutions to jointly talk about digitalization, technologies and innovations. The Digital Week Dortmund is an offer of the Economic Development Agency Dortmund which provides a platform for the exchange of knowledge and experience, the promotion of innovations & thus the strengthening of the local economy. The event covers a wide range of topics such as Artificial Intelligence, Blockchain, Digital Transformation, Smart Cities, Entrepreneurship and much more.
